3. SCOPE OF APPLICATION

These General Terms and Conditions of Sale are reserved for consumers only, as defined by law and jurisprudence, acting exclusively on their own behalf.

In accordance with Article L. 111-1 of the French Consumer Code, the essential characteristics and prices of the Services sold are available on the Site or displayed at the entrance to the village. The prices are communicable on request to any Customer.

The Professional also communicates to the consumer the information relating to his identity, his postal, telephone and electronic address and his activities.

The present General Conditions of Sale are applicable to all sales of Services by the Seller through the Site.

4. RESERVATION CONDITIONS

The reservation becomes effective only with the agreement of the Seller, after receipt of the deposit and after receipt of either the reservation contract duly completed and signed, or after acceptance of the general conditions of sale when booking online.

Reservations are only binding on the Vendor if he has accepted them, which he is free to do or to refuse, depending on availability, and in general, on any circumstances likely to affect the execution of the reservation made. The Vendor offers family-oriented stays, in the traditional sense, and the accommodations are specially designed for this purpose. The Vendor reserves the right to refuse any reservation that is contrary to this principle or that seeks to divert it.

The reservation of a rental is made on a strictly personal basis. It is forbidden to sublet or transfer a reservation without the prior consent of the Seller.

5. RENTAL

The rental accommodations are equipped. The rental package includes the number of persons (including babies) foreseen at the time of the reservation, within the limit of 6 places depending on the type of accommodation chosen.

The Vendor reserves the right to refuse access to the village to groups or families arriving with a number of participants greater than the capacity of the rented accommodation.

All accommodations are non-smoking.

6. PRICES

The amount of the tourist tax (per person and per day) for the year 2024 is: 0.88 €. The tourist tax is to be paid directly to the establishment, except in the case of online prepayment before the stay where this amount can be included. The cost of the tourist tax is likely to change during the year and may therefore have an upward or downward impact on the total amount of the stay.

The prices mentioned on the website of the establishment and partner sites are subject to change without notice and only the price indicated in the written confirmation of reservation is contractual.

Prices include the VAT applicable on the day of the reservation and any change in the VAT rate will automatically be reflected in the price indicated on the date of the invoice.

Some promotional offers are only available on the Site and are sold exclusively on the internet and in no case at the reception of Slow Village Ile de Ré.

2. Follow the instructions on the Web site, those required to open a customer account.

The details of the client's credit card are required by the village to guarantee the reservation and the payment.

In accordance with Article L. 133-8 of the French Monetary and Financial Code, the payment service user may not, in principle, revoke a payment order once it has been received by the payer's payment service provider. To this end, the Customer confirms that he is the holder of the bank card to be debited and that the name on the bank card is indeed his own. The Customer communicates the sixteen digits and the expiry date of his credit card as well as, if necessary, the numbers of the visual cryptogram. If the price and any deposit cannot be debited, the Online Sale shall be immediately terminated, and the Order cancelled.

The Customer is solely responsible for his or her choice of services and their suitability for his or her needs, and the Village shall not be held liable in this respect.

9. CANCELLATION - MODIFICATION OF THE RESERVATION

Changes to the Client's booking may be made free of charge 30 days prior to the originally scheduled arrival, subject to availability.

Any request for modification (dates, type of accommodation, etc.) must be confirmed in writing by the Client and is subject to acceptance by the Vendor.

If no news is received from the Client indicating a postponement of the arrival date, the accommodation may be available for sale again 24 hours after the arrival date mentioned on the contract and the Client will consequently lose the benefit of his reservation.

↳ Unused reservations

Any stay that is cancelled, interrupted or shortened (late arrival, early departure) due to the Client's fault will not give rise to a refund.

↳ Cancellation by Slow Village Ile de Ré

In case of cancellation due to the Seller, except in case of force majeure, the stay will be totally refunded, without any additional indemnity.

↳ Cancellation specifically because of the pandemic called Covid-19

If by any chance the village is administratively obliged not to welcome the public, the Vendor undertakes to refund the customer's stay in full.

In the case where the village is authorized to receive its customers, the Seller commits himself to refunding completely the stay of the customer, if he was in the incapacity to reach the village during the dates of his stay only, because of:

10. CANCELLATION INSURANCE SUBSCRIPTION

Slow Village offers you cancellation insurance in partnership with Neat. In addition to traditional cover, such as cancellation costs, late arrivals and "Covid" cover, it also allows you to cancel your booking without providing any justification, on the basis of a refund of 70% of your stay.

No reimbursement will be made by the slow village. Neat will make the reimbursement after the claim has been declared within 5 days (if the cancellation is linked to the causes described in the guarantees). A refund within 2 days is provided in the event of theft. A detailed description of the general conditions of insurance is available on our website

11. THE STAY

↳ Arrival

The arrival for the rentals is from 16:00.

At the handing over of the keys, a deposit of 250€ including all taxes for the renting and the cleanliness will be asked to the Customer.

An inventory is available in each accommodation. Any dissatisfaction concerning the general state, or the cleanliness of the accommodation must be reported to the Vendor by the Client within 24 hours of arrival, to remedy the situation. No complaint will be accepted after this period.

↳ During the stay

It is up to the tenant to insure himself: the tenant is responsible for the surveillance of his personal objects (bicycles, etc.). The village declines all responsibility for incidents that are the responsibility of the tenant.

All clients must comply with the provisions of the internal regulations, particularly regarding the following restrictions:

- Minors must be accompanied by their legal representatives.
- Only individual gas or electric barbecues are allowed. Individual charcoal barbecues are strictly forbidden.
- Only one animal is allowed per rental except in July and August for a fee of 5.00€ per day. Vaccination certificates must be presented on arrival. Dogs of 1st and 2nd category are forbidden. Dogs must be kept on a leash inside the campsite.

Dogs must be kept on a leash in the village.

Each tenant is responsible for the disturbances and nuisances caused by the people who stay with him or visit him. He must prove, upon request of the Vendor, the subscription of a valid civil liability

insurance.

↳ Departure

On the day of departure indicated on the contract, the premises must be vacated before 10:00 am for rentals.

Any rental not vacated in the above conditions on the day of departure will result in the billing of an additional day at the price of the night in force.

The rentals must be returned in perfect condition, tidy. Any broken, damaged, or missing object will be charged to the Client, as well as the restoration of the premises, if this should prove necessary.

In case of damage of a material nature caused by the Customer in the accommodation, the Vendor reserves the right to keep the deposit for one month, the time to make the possible repairs and to justify it to the Customer who will see his deposit withheld in whole or in part. Any damage exceeding the amount paid as a security deposit will be charged to the customer after charging the security deposit. Otherwise, in the absence of material damage caused by the Customer in the accommodation, the Vendor undertakes to return the full amount of the deposit to the Customer on the day of his departure.

The cleaning and tidying of the accommodation at the end of the stay are the responsibility of the Customer.

If the Customer benefits from a "cleaning package", he must return the accommodation in a good general state: dishes cleaned and tidied, garbage emptied, sheets and towels stacked in each room. If this is not the case, the Vendor reserves the right to charge the Customer a cleaning supplement equal to the amount of the cleaning package corresponding to the rented accommodation.

If the Customer does not benefit from the "cleaning package", the Customer is required to return the accommodation fully cleaned and tidied, ready to welcome the next customer. If the Customer has not properly cleaned the accommodation before departure, the Vendor will withhold all or part of the security deposit; he will request, with proof, additional compensation if the amount of the security deposit is not sufficient to cover the expenses necessary to restore the accommodation.

12. INTELLECTUAL PROPERTY RIGHTS

The Seller's trademark, Slow Village, as well as all trademarks, whether figurative or not, and more generally all other trademarks, illustrations, images, and logos appearing on the Goods, their accessories, and their packaging, whether registered or not, are and shall remain the exclusive property of the Seller. Apart from the cases set out above, the Seller undertakes not to sell, rent, transfer or give access to third parties to the personal data without the prior consent of the Customer, unless compelled to do so for a legitimate reason (legal obligation, fight against fraud or abuse, exercise of the rights of defense, etc.).

The Customer may also, for legitimate reasons, object to the processing of data concerning him.

The Customer may, subject to the production of valid proof of identity, exercise his rights by contacting LETELLIER Raphaël - rletellier@slow-village.fr.

If the Customer does not wish/no longer wishes to receive news and solicitations from the Vendor (by telephone, SMS, postal mail, or e-mail) and invitations, he/she has the option of indicating this via the link reserved for this purpose, of modifying his/her choices by contacting the Vendor under the conditions mentioned above or, if necessary, by modifying the parameters of his/her online profile. The same applies if he/she does not wish to receive news, invitations, or promotional offers from the Seller's partners.

14. FORCE MAJEURE

Seller's performance of its obligations under this Agreement shall be suspended in the event of a force majeure event that prevents or delays performance.

Seller shall notify Customer of the occurrence of such an event within 2 days of the date of occurrence of the event.

If the suspension of the Seller's obligations continues for a period exceeding half the duration of the stay, the Customer may cancel the current Order and the Seller shall refund the Order in accordance with the conditions set forth in Article 9.

Neither party may make any commitment in the name of and/or on behalf of the other party. Furthermore, each of the Parties shall remain solely responsible for its claims, commitments, services, products, and personnel.
